HON'BLE SHRI JUSTICE NOOTY RAMAMOHANA RAO

W.P. No.15797 of 2007

Heard the learned counsel for the writ petitioner as well as the learned Standing counsel for the first respondent.

The writ petitioner apprehends that the statement published in the local news papers, said to have been made by the Chairman of the first respondent authority making it known that a bypass road will be constructed, is going to be implemented without any process of law and files the present writ petition.

The learned Standing Counsel for the first respondent makes it clear that without acquiring the land which is needed for the purpose of widening or formation of new road, the respondent authority is not going to interfere with the possession of the writ petitioner, or for that matter anybody else whose properties situate near about the Donka road which is sought to be widened and formed into a bypass road.

Recording the submission of the learned Standing Counsel for the first respondent that without undertaking the due process under law, the writ petitioner will not be dispossessed, this writ petition is disposed of at the admission stage itself.
